Publisher

Established in 2003, Distinctive Publishing is a well established publisher of business journals and industry specific publications.

Based in Newcastle upon Tyne for over 17 years, our organisation is well established within the publishing industry; sharing exceptional links within the print, distribution and marketing industries throughout the UK. We represent some of the world's leading brands in terms of design and marketing, while producing and distributing some of the UK's most respected publications.

Our approach to quality and service are our main hallmarks and our reputation throughout the publishing fraternity is unsurpassed in respect of quality of product and client interaction. We have an enviable history of fostering relationships that add long term value to client brands, while providing consultative excellence to advertisers that reflect and endorse the philosophy of their organisations; an approach that has proven to grow and enrich our clients growth aspirations; Our Company representatives are some of the best trained within the water industry, and our staff loyalty serves as a reminder that our team have an element of longevity and professionalism necessary to provide long term winning strategies for clients and partners alike.

Water Industry Journal

Water Industry Journal is the new voice of the water industry, giving expert industry analysis and comment on legislation, regulations and innovations as well as insights on leadership and management issues throughout the water and waste water industry.

Covering aspects such as revealing profiles and interviews of some of the industry's leading lights, WIJ aims to inspire and educate its readership with insightful case studies and features, matched with a refreshing mix of industry specific news that impact the current industry landscape.

Aimed specifically at the Water and Wastewater industry, WIJ is mailed out on an individual named basis to over 5000 water industry professionals across the UK's water and waste water utility companies, Tier 1 and Tier 2 contractors, wider supply chain and regulators.

Wherever it is found, WIJ aims to enlighten and empower its readership by enhancing, contributing and encouraging the readership throughout the water industry supply chain.

WIJ IS THE ONLY INDEPENDENT PUBLICATION TO BE DELIVERED TO ALL SENIOR EXECUTIVES THROUGHOUT THE WATER AND WASTE WATER INDUSTRIES ACROSS THE UK
